-----  
Dear Valued Customers –

Thank you for your continued service and support of Sammy's Dog Walking. We wanted to let you know of an update to our policy. Holidays (Thanksgiving, Christmas, Memorial Day (5/24-27), July 4th and Easter Break) tend to be a very busy time for our pet sitting business and we often have to turn away customers because we don't have enough staff to accommodate all of the requests. Unfortunately, over the past year, far too many of these scheduled dates have ended up cancelling at the last minute, not only causing us to lose out on needed and planned revenue, but other valued clients to miss a chance for services that we could have provided to them instead.

As a result, the company has been forced to implement a 50% non-refundable cancellation policy upon commitment to one of our pet sitting engagements. This ensures that your spot is held and encourages a serious desire to follow-thru as planned. Again, thank you for your continued business and we look forward to spending time with your beloved fur babies.

**Dog Transportation Services:** We can pick up and bring your dog to daycare, vet visits or anywhere else around town. We love walking dogs - one-way trips during the week are **\$25** and weekend trips (if available) are **\$30** one-way.

**Cat Care:** One of our team members will stop by to scoop the litter box, put out fresh food and water and provide plenty of love and attention. Visits typically last 20 minutes. While there, we can also water plants and bring in the mail. We charge **\$15** for weekday visits and **\$20** for weekend visits. Add \$3 for 4 or more cats.

**Cancellation Policy:** Our cancellation policy is in place because we highly value our professional dog walkers' time and personal commitments outside of Sammy's Dog Walking Service. Please read our cancellation policy carefully:

*A 24-hour advance notice is required for cancellations on all days in order to receive a full credit towards future services. **If a cancellation has not been submitted and our walker arrives at your home to provide care, your account will be charged for the full amount.***

**Inclement Weather Policy:** Whether it's a blizzard outside or scorching hot, Sammy's Dog Walking may adjust the walks and routes based on current conditions. On days with extreme weather the walks may be shortened to ensure the safety of our dogs and walkers. **However, due to the risks associated with walking dogs in extreme conditions, rates are not changed due to shortened walks.**

In addition, Sammy's Dog Walking retains the right to cancel service due to inclement weather that we deem hazardous or dangerous up to the day of service. Sammy's Dog Walking will notify the clients as soon as possible for all cancellations.

*For the safety of our walkers, no dog walks after 6:30 pm*

**For Clients Off The Beaten Path:** We serve clients throughout Charlottesville and Albemarle County. We are happy to serve clients throughout Albemarle County even if it means a longer commute and increased gas expenses for our walkers. In order to cover the cost each walk will be charged at our 30 minute walk rate if clients live **north of Hollymead Town Center** or **south of Old Lynchburg Road**. In addition, clients in **Earlsville, Free Union, Ruckersville, Standardsville** and those south of the **Mill Creek North neighborhood** will be charged this additional fee.

**Changes in Dog Walkers:** If we need to have a different walker for your pet, you will be notified beforehand in the event you would like to meet them. A picture and bio of all of our walkers can be found on our website. All of our dog friendly walkers are bonded and insured.

**Unexpected Accidents:** Occasionally when we arrive at a clients house, our furry friend has had an accident in their crate or in the house. Rather than leave the accident inside the crate or on the floor, our walkers diligently clean up which may

result in slightly longer times at the house & higher rates. This policy also applies to similar tasks such as putting on  
diapers (IE a 20 minute walk can end up being 30 minutes)

**Acknowledged and agreed to by:**
